EXT. WONDERLAND BAKERY - DUSK

1 ALICE (V.O.) 1
"The Quest for Cheshire's Treasure
Chest."

CLOSE ON: A FULL MOON obscured by CLOUDS. Tilt down to find:

2 HATTIE (O.S.) 2
<WOLF HOWWWWWWWWWL!>

A HOWLING HATTER, silhouetted against the full moon.

As the CLOUDS PART, the MOONLIGHT lights the face, REVEALING:
HATTIE (in a SKELETON onesie costume). He brings a SPOON to
his lips:

3 HATTIE (CONT'D) 3
Mmmm. Tasty!

INT. WONDERLAND BAKERY - MAIN ROOM - CONTINUOUS

Hattie, spoon and BOWL in hand, enters, presenting:

4 HATTIE 4
Presenting Howling Halloween
chocolate. Stirred under a howling
full moon!

He places his bowl on the counter next to COOKIE (in BAT-WING
EARS and FANGS), who's open to a JACK-O'-LANTERN BROWNIE
RECIPE. ALICE (dressed as CHESHIRE CAT) WHISKS a bowl of
PUMPKIN PUREE as DINAH (as CHESHIRE KITTEN) leaps nearby.

5 ALICE 5
Ghostly pumpkin puree's ready too!

Cookie runs her bookmark over the recipe steps, confirming:

6 COOKIE 6
And together they'll make fang-
tastic Jack-O'-Lantern brownies.

7 FERGIE (O.S.) 7
Almost done collecting the cobwebs!

REVEAL: FERGIE (dressed as a KNIGHT) covered in COBWEBS,
dusting the CHANDELIER with a FEATHER DUSTER.

8 COOKIE 8
Oh. Those aren't for the recipe,
snickerdoodle. I just thought the
Bakery could use a little cleaning.

9 FERGIE 9
(a shrug, then continuing)
...Fair enough.

The COLD CUPBOARD DOOR opens and a shivering ROSA (dressed as
a MOME RATH) exits, with Alice's TRICK-OR-TREATING BAG over
her shoulder and a TRAY OF PASTRY STEMS in hand, shivering.

10 ROSA 10
(shivering)
Jack-O'-Lantern stem pastries are
all set! They'll go yummy with the
brownies.
(holds up bag)
Found your trick-or-treating bag,
too.

11 ALICE 11
Thanks Rosa!

12 ROSA 12
Technically, the frozen fish sticks
did. Cute little guys.

Rosa hands off the trick-or-treating bag to Alice as Alice
gives her a hug to help her warm up. Fergie arrives on ground
level behind them, brushing off cobweb hanger-ons.

13 COOKIE 13
Good job, everyone! These Jack-O'-
Lantern brownies are almost ready
for Oven.

14 ALICE 14
And once they're done baking, we're
ready for trick-or-treating!

15 ROSA 15
I hope we make it to every house in
Wonderland tonight.

16 FERGIE 16
This brave knight's ready for
frights!

17 HATTIE 17
Trick-or-treating's my favorite
part of Halloween. The fun, the
spooky adventure. And best of all:

18 ALICE/FERGIE/COOKIE/ROSA/HATTIE 18
The treats!/**The tricks!**

19 HATTIE 19
Oh right -- the treats too!

OVEN gives a friendly <TOOT>.

20 COOKIE 20
So what are we waiting for? Oven's
done pre-heating, and you all gotta
get trick-or-treating!

Holding her whisk, Alice raises her arms in a spooky pose.

21 ALICE 21
(spookily)
Then let's baaAAaAaake!

Alice, Rosa, Fergie and Hattie launch into the **RECURRING
SONG: "THE BAKING SONG (SPOoOoOoOKY VERSION),"** with the
friends lending helping hands to pour the brown and orange
swirled brownie mix into muffin tin trays with pumpkin-shaped
indentions. They then top each one with a green PASTRY STEM.
Dinah curiously hops on an actual pumpkin for a closer look
and rolls on top of it before Alice scoops her up.

Oven extends his rack and they place the brownie trays on it.
As he retracts the rack, the **SONG ENDS.**

22 ALICE (CONT'D) 22
When Oven dings, we're on our way.

23 FERGIE 23
<BIG SNIIIIIFF> It sure smells
great. If any trick-or-treaters
like cinnamon, they're in luck!

24 ALICE 24
<SNIFF-SNIFF> That's curious. The
recipe didn't use any cinnamon.

RACK FOCUS TO: COOKIE, mid-sniff, *Jaws*-*"bigger-boat"* serious:

25 COOKIE 25
<SNIFF> That's not cinnamon. It's
rain. Cinnamon rain. Which means...

*

Right on cue, a light <PITTER-PATTER> of rain begins...

26 COOKIE (CONT'D) 26
 (with dread)
 A Wonderstorm.

27 ROSA/HATTIE 27
 Maybe it'll be a short one.../It
 doesn't sound too bad...

28 FERGIE 28
 We can still trick-or-treat, right?

Then, <BOOM!> Thunder claps; lightning FLASHES; the light pitter-patter is suddenly a <DOWNPOUR>.

29 DINAH 29
 <Meow...!>

Dinah jumps into Alice's arms. With a <POWERING DOWN TOOT> Oven goes into hibernation mode. The lights in the bakery FLICKER OFF **TO BLACK**.

30 FERGIE 30
 (UNDER BLACK)
 ...Right?

INT. WONDERLAND BAKERY - MAIN ROOM - A LITTLE LATER

CLOSE ON a CAMPFIREFLY LANTERN. Alice sets it on the counter; Dinah cuddles next to it for warmth. It's one of many CAMPFIREFLY LANTERNS strewn around the Bakery, their SOFT GLOW and the <STEADY PITTER-PATTER OF RAIN ON THE ROOF> setting the cozy (and a bit spooky) fall mood.

31 ALICE 31
 Thanks for sharing your glow with
 us, Campfireflies!
 (to Fergie)
 How's it look out there?

32 FERGIE (O.S.) 32
 Pitch black. Can't see a thing.

REVEAL: Hattie, Rosa, Fergie, and Cookie crowded around the window assessing the situation. Fergie's KNIGHT HELMET EYE SHIELD is down. Hattie helps him lift it.

33 FERGIE (CONT'D) 33
 Oh, right.

34	COOKIE	34	
	More than a few Wonderstorms have whipped through my pages.		*
	Cookie puts a supportive bookmark on Hattie's shoulder.		*
35	COOKIE (CONT'D)	35	*
	I hate to say it, but I don't think trick-or-treating's in the cards this year. Sorry pumpkin.		*
36	HATTIE	36	
	But the <i>treats</i> ? And the <i>adventure</i> ?! And the <i>tricks</i> ?!? Won't someone <i>think of the tricks</i> ?!???		
	Alice is having none of this "woe is me" attitude. She tries to make optimism catch on, and the friends try to help...		
37	ALICE	37	
	We can still have fun in the bakery.		
38	ROSA	38	
	Yeah! We have those Jack-O'-Lantern brownies in Oven.		
39	COOKIE	39	
	Not exactly. Oven went into cozy mode when the rain started, like he always does when it storms.		*
	ON Oven - peacefully <TOOT-SNORING> as he sleeps.		*
40	COOKIE (CONT'D)	40	*
	So the brownies are half-baked... and the wrong kind of gooey. <SHUDDER>		*
	Cookie pulls the trays out of the still <TOOT-SNORING> Oven, revealing SOGGY BROWNIES. But hope is not lost!		*
41	ALICE	41	
	But there might be some treats in my trick-or-treating bag! I kept it in the cold cupboard so any leftovers would stay fresh.		
	Alice picks up her trick-or-treating bag off the counter. The others gather around as she opens it.		
	ANGLE UP on their hopeful faces...which immediately deflate.		

42 ROSA 42
Just a few crumbs of small cake.

43 FERGIE 43
How 'bout a game? Everyone do your
spookiest laugh! Like this. <Not-at-
all-spooky GIGGLE>

The friends look to Fergie, then resign to the obvious:

44 HATTIE 44
Let's face it. Without trick-or-
treating, Halloween's a bust.

Right on time, the front door <SWINGS!> open, a well-timed
LIGHTNING STRIKE illuminating the rain outside.

Startled and curious, all heads WHIP TURN to the doorway.

45 ROSA/COOKIE/HATTIE/FERGIE 45
What was that?/<GASP!>/Cool./Gah!

Seeing no one there, Alice slowly <CREEEEEEEPS> towards the
doorway to investigate. The others follow close.

46 ALICE 46
Hello? Is someone there?

They slowly get closer... And then, from behind:

47 CHESHIRE CAT (O.S.) 47
What's everyone looking at?

They turn, <STARTLED> to find CHESHIRE CAT in a MUSKETEERS
HAT bringing up the rear of their group.

48 ALICE/COOKIE/HATTIE/FERGIE/ROSA 48
Ahh!/What in waffles?!/Coat
tails!/Carrots!/Yikes!

49 ALICE 49
Cheshire Cat! What are you doing
here in this weather?

Cheshire spins, his grin wide, his eyes wild.

50 CHESHIRE CAT 50
I'm on a quest, to find...
(PUNCH IN, dramatic:)
My long-lost treasure chest!

LIGHTNING! <THUNDER!>

51 ALICE 51
Curious! Tell us more.

Cheshire looks to his TAIL, which responds with gestures as if they're having a conversation. We intercut their back-and-forth with the friends' curious and slightly confused faces:

52 CHESHIRE CAT 52
(TO TAIL)
Look here, Tail. If we can't trust *
Alice, who can we trust? ...There's
enough to share! I'll do your *
chores for a week. ...Okay tweedle-
dee-three weeks. Final offer.

Cheshire's Tail "nods." Cheshire and his Tail "shake hands." *

PAN ACROSS the friends' rapt faces as Cheshire leans into his flair for the dramatic, flying around them as he speaks.

53 CHESHIRE CAT (CONT'D) 53
During the last great Wonderstorm,
I came across a treasure chest
bursting with delicious treats.

54 FERGIE 54
Yum. I like where this is going
already!

55 CHESHIRE CAT 55
But the *trick*? I hid it somewhere I
could only get to during the *next*
great Wonderstorm.

56 HATTIE 56
That's some trick!

The storm winds <HOWL>.

57 COOKIE 57
Whistling wind flakes. It's
Wonderstorming right now!

Cheshire holds FERGIE'S WATCH, swinging it back and forth. *

58 CHESHIRE CAT 58
Precisely. That means it's lost
treasure chest o'clock.

59 ALICE 59
We'll help you find it! Can we see
your treasure map?

Cheshire tosses the watch back to Fergie.

60 CHESHIRE CAT 60
Ah. There is no map. Instead, I
memorized a poem. Clues to help
retrace my steps.

61 HATTIE 61
A poem instead of a map? That's my
kind of bonkers!

62 ROSA 62
Let's hear it!

Cheshire flies around the kids, fades in and out, etc., as he
recites his poem.

63 CHESHIRE CAT 63
Ride out the storm.
Which way? You'll see.
Go through what's in the sky
The key is where you last saw me
Down you'll fall *
And this I decree *
Soon the treasure is where you'll *
be!

64 HATTIE 64
Cool. But, uh, what's it all mean?

65 CHESHIRE CAT 65
I have no idea! I was hoping you
could help me figure it out.
(beat)
So, still up for a Cheshire-style
Halloween adventure?

66 ALICE/HATTIE/ROSA/FERGIE/DINAH 66
Absolutely!/Yeah!/I'm in!/Brave
knight, at your service./<MEOW!>

67 ROSA 67
Where do we start?

68 CHESHIRE CAT 68
Good question. Hmm...

On cue, the SMALL DOOR UNDER THE STAIRS <CREEEEEAKS> open.

69 COOKIE 69
How about through there? Good luck,
my little treasure hunters!

Cookie waves to the others as they go through the door.

INT. WONDERLAND BAKERY - HALL OF DOORS - CONTINUOUS

Alice (w/ Halloween bag) turns to the others with an idea.

70 ALICE 70

I think the poem might be like a
recipe. We just need to follow the
steps. Let's start with --

71 HATTIE/CESHIRE CAT 71
Nothing here./Nor here! Or here!

Hattie and Cheshire open and close random doors.

72 ROSA 72
Uh guys? It sounds like Alice has a
plan, and --

As Cheshire opens a DOOR with <SWIRLING WIND>, he suddenly remembers! He turns to the group, door open behind him:

73 CHESHIRE CAT 73
 <GASP!> Great gallymoggers. I
 remember exactly where I hid my
 treasure chest!

74 ALICE/FERGIE/HATTIE/ROSA 74

YOU DO?!

75 CHESHIRE CAT 75
It's --

<WHOOSH!!> Before he can finish, a CINNAMON SWIRL from the Wonderstorm whooshes by and *sucks him out the door!*

76 ALICE/HATTIE 76
Cheshire!!/Cool, a cinnamon swirl!

Alice and friends rush to the doorway, but when they poke their heads through, they see Cheshire riding a swirl (a la Alice's escape from Wonderland in the 1951 film) with a *big smile* on his face.

77 CHESHIRE CAT 77
(yelling back)
*What a ride! <LAUGHTER!> Ta-ta
everyone. See you at the treasure!*

78 ALICE 78
(yelling after)
But where is it?

79 CHESHIRE CAT 79
(trailing off)
Just follow the poem...!!

And with a final <WHOOSH>, the wind <SLAMS> the door shut.

80 FERGIE 80
Maybe we can catch up with him.

Fergie opens the door again. He's <SPLASHED> with WATER,
Dinah leaping out of harm's way --

81 FERGIE/DINAH 81
Blargh! Or not./<Meow!>

82 ALICE 82
It's okay. As long as we stick
together and follow the words in *
the poem, we'll be right on his *
tail.

83 HATTIE (O.S.) 83
Maybe we can even get ahead of his
tail! Hatter-bungaaa!

On his voice, their heads turn and find Hattie standing at
the threshold of another OPEN DOOR -- which he jumps through!

Alice and the others peer through the door.

84 ALICE 84
Well we were looking for Halloween
adventure. Looks like we found
some. Come on! *

Alice, Fergie, Rosa and Dinah jump through the door!

EXT. TEARDROP SEA - TINY ISLAND - CONTINUOUS (SUNSET)

The friends fall through the stormy, sunset sky --

85 HATTIE/ALICE/ROSA/FERGIE/DINAH 85
<Falling reactions>/<MEOWOWOWWW!>

Until one after the other they <PLUNK, PLUNK-PLUNK KA-
PLOOSH!> into four (Dinah shares with Alice) HUGE GLASS
BOTTLES floating in the sea (a la the 1951 movie).

All stand in their upright bottles and get their bearings:

86 ALICE 86
 Everyone okay?

87 ROSA 87
 Yeah, but how do we steer these
 things?

Fergie tips his bottle over onto its side and tries running like a hamster wheel -- but he loses his balance and the bottle keeps spinning, sending him tumbling!

88 FERGIE 88
 Look! I think it's working!
 ...<TUMBLING EFFORTS> Never miind!

They float for the briefest of beats before washing ashore on a FOGGY ISLAND. Cobweb-like foliage hangs from the trees. It's silly-spooky. An ACCORDION OWL <HOOTS> as it flies by.

Alice & Dinah, Hattie, and Rosa all easily crawl out of their tipped-over bottles while Fergie struggles for a beat, leaping up then squeezing out of his now-upright bottle. *

89 ALICE/HATTIE/FERGIE 89
 Incredible./Where are we?/
 <SQUEEZING EFFORTS>

As the <WIND HOWLS> the kids take in the island.

90 ALICE 90
 Hmm. The Wonderstorm is still
 howling. But no sign of Cheshire.

91 ROSA 91
 Maybe he's just not here yet. I
 mean, this seems like a good place
 to hide treasure. Let's look!

The friends start looking. In one continuous WHIP PAN shot:

Alice pushes aside some cobweb-like foliage.

92 ALICE 92
 None here.

Rosa peeks in an accordion owl's nest. It <HOOTS>.

93 ROSA 93
 Or here.

Hattie looks clean through a downed HOLLOW LOG:

94 HATTIE 94
One treasure-free log...

Fergie pushes aside a ROCK revealing the entrance to a cave:

REVERSE TO CAVE'S POV: Fergie peers in. Suddenly, EYES WIDE,
we hear a RUMBLING FLUTTER --

95 FERGIE 95
Uh-oh.

96 HATTIE 96
Is it bats?! Goblins?! Ghostly
ghouls?!

PULL OUT TO REVEAL: a SWARM OF BREAD AND BUTTERFLIES escaping
the cave and right into his face. The creatures flutter
around the kids and Dinah. Fergie closes his eyes.

97 FERGIE 97
Ahhhhhhhhh!

98 ROSA 98
It's bread and butterflies!

99 FERGIE 99
Oh. I mean, awww!

Hattie peers into the empty cave.

100 HATTIE 100
But no Cheshire. No treasure chest. *
Maybe we should look somewhere
else.

101 FERGIE 101
But where?

102 ALICE 102
Hmm. The poem. He said it had clues
to help him find the treasure.

103 ROSA 103
The first line was "*ride out the
storm.*" Any ideas?

Alice watches the butterflies flutter over the water and then
back over land again, Dinah pouncing after them.

104 ALICE 104
(coyly)
Suddenly I have a big craving for
small cake. Everyone, have some.

She produces the CRUMBS from her bag, and the friends gobble them up, shrinking into MINIATURES. A delighted Rosa comes face-to-face with a bread and butterfly.

105	ROSA	105
	Oh my heartness. We're smaller than these cuties!	

```

106                                ALICE                                106
    And they're big enough for us to
    "ride out the storm" - like
    Cheshire's poem says!

```

Three more bread and butterflies land next to them. Rosa addresses them with diplomatic princess confidence.

107 ROSA 107
Mind giving us a lift?

The bread and butterflies nod and the kids hop on (Dinah and Alice sharing one).

[illegible]

On that, the butterflies *take off*, flying towards CAMERA! *

EXT. STORMY SUNSET SKY OVER TEARDROP SEA - CONTINUOUS

The friends soar through the stormy sunset sky, marveling at the clouds around them and the sights below.

109	ALICE/FERGIE	109
	Incredible./Wow...	

110	HATTIE	110
	It's Captain Dodo! <i>Hey, Cap!</i>	

ANGLE ON: CAPTAIN DODO below, riding atop a TOUCAN, a la the 1951 film. He looks up and waves back to the friends.

BACK ON the kids, eyes wide, as they point O.S.

111 FERGIE/ROSA 111
 There's my house!/And the palace!

They swoop down, dipping below frame and into the storm...

EXT. MUSHROOM GROVE - CLEARING - MOMENTS LATER

Alice and friends emerge at the mushroom-line of the clearing to see THREE SHADOWY, WITCH-HATTED FIGURES standing around a BUBBLING CAULDRON.

120	ALICE	120
	Curiouser and curiouser.	

They watch from behind the leaves and mushrooms as the figures step out of the shadows. Reveal MARCH HARE, the QUEEN OF HEARTS, and KIKI THE CATERPILLAR, all in CLASSIC WITCH OUTFITS, **SINGING AN ORIGINAL SONG: "THE WITCHES OF MUSHROOM GROVE."** The song is spooky-silly, upbeat and comedic as they dance around the cauldron boasting about their magical trio - who gather every Halloween - their Wonderland potions and even their incredible fashion sense.

As the **SONG ENDS**, the witches notice Alice, who steps out from behind a mushroom. Her friends join her.

121	KIKI	121
	Whoooo are youuuu?	

122	QUEEN OF HEARTS	122
	Alice! What an unexpected surprise!	

123	KIKI	123
	A big bubbly Happy Halloween to all of you.	

Harry takes in the kids' costumes from silly angles.

124	MARCH HARE	124
	Look at these costumes! Such flair, such fashion. But forgive me, I gotta ask. Why are you here??	

125 ALICE 125
We're following Cheshire's poem.

126	MARCH HARE	126
	The one about his treasure chest?	
	Ho boy! Love that for you.	

127 ROSA 127
You've heard of it?

128 QUEEN OF HEARTS 128
Of course. We're the witches of
Mushroom Grove. We hear all!

LIGHTNING! <THUNDER>. Hattie <SNAPS> his fingers - aha!

129 HATTIE 129
I knew you looked familiar!

130 KIKI 130
So tell us, my spooky darlings. How
can we help yooooou?

131 ALICE 131
We're not sure where to look for
the treasure next.

Kiki, Harry and the Queen share a smile.

132 KIKI 132
Well we can certainly bubble you
off in the right direction. If...

133 ALICE 133
If?...

134 QUEEN OF HEARTS 134
If you help us with our potion!

135 MARCH HARE 135
With the right ingredients,
combined by a brilliant baker like
yourself, the potion will tell you
where to go.

136 FERGIE 136
You've got this, Alice!

Alice joins the witches' circle around the cauldron. Kiki
exits and returns with a CHEST, popping the lid.

137 KIKI 137
First ingredient: white roses.

The Queen melodramatically covers her eyes.

138 QUEEN OF HEARTS 138
I can't look!

Alice takes MEASURING CUPS from her Halloween bag.

139 ALICE 139
One scoop should get us started.

Alice scoops some WHITE ROSES out of the chest and drops them
into the cauldron.

Harry pulls two handfuls of THYME out of the chest.

*

140	<p>MARCH HARE</p> <p>Next. Some Good Thyme. No Bad Thyme for this mix!</p>	140	
	<p>Harry hands the thyme to Alice. She tosses it into the cauldron. She then twirls her WHISK and stirs.</p>		*
141	<p>ALICE</p> <p>Good Thyme and a good whisking for good measure!</p>	141	
142	<p>MARCH HARE</p> <p>Ho-ho, now you're <i>really</i> cookin'! <i>Are you sure you're not a witch?!</i> (gestures to cauldron) <i>'Cuz it's spellbinding.</i> Splendiferous. Stupendous!</p>	142	* * * *
143	<p>QUEEN OF HEARTS</p> <p>And the last ingredient: a grin of ground fluffle. But only a grin!</p> <p>Alice pulls a SALT SHAKER-like bottle from the chest.</p>	143	
144	<p>ALICE</p> <p>How much is a grin?</p> <p>The bottle BOUNCES in Alice's hand...making her grin!</p>	144	
145	<p>ALICE (CONT'D)</p> <p><GIGGLE> The bounce made me grin. Let's go with that.</p> <p>Alice bounces the bottle again, sending a sprinkle of ground fluffle into the cauldron. It lights up and BUBBLES.</p>	145	
146	<p>KIKI</p> <p>Ooh, here come the bubbles! That's my favorite part.</p>	146	
147	<p>KIKI/MARCH HARE/QUEEN OF HEARTS</p> <p>Gather closer!/Stand back!/It's working!</p> <p><POOF!> A big puff of COLORFUL SMOKE rises into the sky! It swirls, settling into a HEDGE MAZE PATTERN (with one final SHOOTING STAR-LIKE PUFF cutting <i>through</i> it).</p>	147	
148	<p>QUEEN OF HEARTS</p> <p>Looks familiar...</p>	148	
149	<p>HATTIE</p> <p>Kinda like the palace hedge maze.</p>	149	

150	ALICE	150
	That's it! Cheshire's poem said to	
	<i>"go through what's in the sky."</i>	
	Hattie, you're brilliant.	

Everyone but Hattie turns, looking into the distance where the PALACE TURRETS come into focus. Hattie's still staring up:

151 HATTIE 151
Thanks! ...So, where do we go next?

CUT TO:

EXT. HEARTS PALACE - HEDGE MAZE - A LITTLE LATER THAT NIGHT

That still scene of anticipation gives way to the frenetic energy of the friends running through the hedge maze. They're bumping into each other, tripping over Dinah, etc.

They <yell> from different nooks and corners around the maze:

152 ALICE 152
Anyone see Cheshire?

153 HATTIE 153
Or his treasure chest?

154	ROSA	154
	Nothing here!	

155 FERGIE 155
I think I've got something!

Fergie turns a corner and <BOINK!> runs straight into all the others, who all softly tumble to the ground.

```

156                      FERGIE (CONT'D)                                156
...Never mind.

```

As they stand and brush themselves off, Rosa glances up and sees THE STORM IS BEGINNING TO WEAKEN, the clouds parting.

157 ROSA 157

The Wonderstorm's weakening. We
need to find something - anything -
soon.

158 HATTIE 158
Getting around these hedges will
take all night.

A lightbulb! Alice points to a hedge in front of them.

159	ALICE	159
	Cheshire's poem didn't say to go around. It said to go <i>through</i> ...	

160 ROSA 160
Diamond idea! I know just who to
call.

Rosa puts her hands to her mouth and emits a loud:

[illegible]

They look up.

DIVEBOMBING POV towards the kids. It's JABBIE, wings flapping as he lands in Rosa's arms and nuzzles.

[illegible]

163 ROSA 163
Jabbie! You hungry, boy?

Jabbie nods vigorously; Hattie pulls a TUM-TUM FURIT from his hat, holds it to Jabbie's nose.

164	HATTIE	164	
	Got the Tum-Tum scent? Now go get		*
	it! <THROWING EFFORT>		

Jabbie <SNIFFS> the Tum-Tum then Hattie chucks it clear across the hedge maze! Jabbie *bolts straight through* the hedges, creating a TUNNEL! The friends follow.

```

165                                JABBIE                                165
                                <SNIFFS> <YIPS>

```

EXT. HEARTS PALACE - EDGE OF THE HEDGE MAZE - MOMENTS LATER

They emerge out the other side of the maze, where a satisfied Jabbie eats the last of the Tum-Tum Hattie threw earlier.

The friends bend down to give Jabbie belly rubs and nuzzles. *

[illegible]

167 JABBIE 167
<COOS> <PANTING> <YIPS>

Alice turns and almost bumps into a wall. UP ANGLE - it's a VERY tall wall...

168 ALICE 168
Crumbs. Looks like we've hit a wall. Literally.

Then, from faaaaaaar above, obscured by fog, an O.S. VOICE:

169 DOORKNOB (O.S.) 169
(dramatic)
What you seek is on the other side of meeeeeee! <SPOOKY LAUGH>

Fergie cups his hands, <yells> up:

170 FERGIE 170
Where is that exactly?

171 DOORKNOB (O.S.) 171
(chipper)
Oh, silly me. I'll come down!

<Whooooosh> DOORKNOB (with Frankenstein's Monster-like DEADBOLTS on his frame as well as a forehead scar and unibrow) slides straight down to ground level.

172 DOORKNOB (CONT'D) 172
Ding! Ground floor. Going up? Sideways? Spooky ways? You'll find I'm quite mobile for someone with hinges.

173 ALICE 173
Hiya Doorknob!

Doorknob "flexes" his deadbolts, pleased with his costume.

174 DOORKNOB 174
Deadbolt, if you don't mind. Halloween and all that.
(flexes bolts)
Look at them go!

175 ALICE 175
Well Deadbolt, mind if we pass through your door?

176 ROSA 176
We're looking for Cheshire Cat's lost treasure chest.

177 DOORKNOB 177
Why didn't you say so? Right this
way <EFFORTS>.

Doorknob spins his nose, tries to open his door, but can't.

178 DOORKNOB (CONT'D) 178
Seems I'm locked. <CHUCKLE> Hazard
of being a door, I'm afraid.
(flexes bolts)
And with a name like Deadbolt are
any of us really surprised?

179 HATTIE 179
No prob. Where's the key?

180 ALICE 180
Cheshire's poem says "*the key is
where you last saw me.*"

181 ROSA 181
The Hall of Doors? Really?

Fergie's nose catches something...

182 FERGIE 182
<SNIFF-SNIFF> I don't think so...

He looks right, *far* into the distance, where from around an
unseen end of the wall comes A GIANT CINNAMON SWIRL -- the
same one that swallowed up Cheshire!

183 HATTIE 183
The cinnamon swirl!

They arrive at the **OUTSKIRTS OF THE CINNAMON SWIRL**. Fergie's
ears whip and Hattie holds his hat tight. The wind <RAGES
LOUDLY>; the kids <YELL> over it to be heard.

184 ROSA 184
Cheshire Cat!! Are you in there?

185 ALICE 185
If he was, I don't think he could
hear us! We have to go in!

186 HATTIE 186
Then...hat's away!

187 ALICE/ROSA 187
Right behind you!/Me too!

Hattie, Alice and Rosa leap into the swirl! Fergie doesn't move an inch. Dinah looks up at him.

188	FERGIE	188
	I'll stay back and watch Dinah!	

Dinah leaps into the swirl, too! After a quarter-beat, the kids and Dinah are tossed out -- and Fergie is sucked in!

```

189                      FERGIE (CONT'D)                      189
                        Whiiiiiskerssss!

```

INT. CINNAMON SWIRL - MOMENTS LATER

With the same fantastical appearance as the swirl Cheshire was pulled into earlier in the episode, Fergie uses his ears like rudders, navigating around.

190	FERGIE	190
	Key! Where are you, key?	

He spots the KEY at the top of the swirl and makes his way towards it -- but the closer he gets, the harder it is. Then, as he reaches his hand out, almost able to touch it...

```

191                FERGIE (CONT'D)                                191
                (w/ <EFFORTS>)
                There it is! Just a little more...
                Cottontailsssss!

```

SHOCK sweeps across his face! He's sucked backwards...!

EXT. HEARTS PALACE - EDGE OF THE HEDGE MAZE - MOMENTS LATER

OUTSIDE THE SWIRL, the friends watch, rapt with anticipation. Fergie comes tumbling out, and the swirl moves O.S.

192 ALICE/HATTIE/ROSA/DINAH 192
Fergie!/Buddy!/You okay?/<MEOW!>

Fergie stands, brushing himself off, revealing himself as an adorable, cinnamon-puffed mess. Smiling, he holds out a hand, unfurls an ear and drops the KEY into his open hand!

193 FERGIE 193
Someone order a key?

194 ALICE/ROSA/HATTIE/DINAH 194
Yes!/Hooray!/Always look behind the
ears!/<MEOW!>

Doorknob slides along the wall to where the kids are.

195 DOORKNOB 195
Well done! I'm not entirely sure
what just happened, but bravo!
Unlock away.
(opens mouth wide)
<AAAAH>

196 FERGIE 196
Cheshire's treasure, here we come.

Fergie turns the key in Doorknob's lock and the door opens.
Fergie steps through with bravado -- but his eyes go wide as
he unexpectedly *falls* through --

197 FERGIE (CONT'D) 197
Whoaoaoaaaaa!

INT. DARK RABBIT HOLE - CONTINUOUS

A SLIVER OF LIGHT is just enough for us to see Fergie as he
collects himself and stands, the friends yelling after him:

198 ALICE 198
Fergie!

He examines his knight's armor which is COVERED IN COBWEBS,
but all seems okay otherwise. As he picks them off:

199 FERGIE 199
(yelling up)
I'm okay! Just a little cobweb-y!
(to himself)
Fewer than *back at* the Bakery, *
though...

As he shakes the last cobweb off, something O.S. catches his
attention. He curiously and cautiously moves deeper into the
rabbit hole. It's brighter. His eyes go wide.

200 FERGIE (CONT'D) 200
Uh, *Alice*? *
(yelling up)
You're gonna wanna see this!

INT. DARK RABBIT HOLE / BRIGHTER DODO CAVE - SECONDS LATER

The others slide down, more controlled than Fergie's fall.
They approach Fergie and look where the tunnel leads.

201 ALICE/ROSA/HATTIE 201
Wow./Incredible./Hoppin' hatters.

REVERSE TO REVEAL: A large cave with a PIRATE SHIP inside!
The ship - tipped on its side - has a FLAG WITH CAPTAIN *
DODO'S SILHOUETTE on the mast. The deck is covered in
TREASURE, and a CHEST with a CHESHIRE GRIN on the lid is
visible on deck.

202 FERGIE 202
Captain Dodo's lost ship?

203 HATTIE 203
Hold the scone. There's a treasure
chest on the deck!

204 ROSA 204
Think it's Cheshire's?

205 ALICE 205
Remember the last part of his poem? *
"Down you'll fall. And this I *
decree: soon the treasure is where *
you'll be." This could be it!!

EXT. DODO CAVE - CAPTAIN DODO'S LOST SHIP - MINUTES LATER

Now on deck, the kids and Dinah approach Cheshire's chest.

206 FERGIE 206
It's Cheshire's alright. Just look
at that grin.

207 ROSA 207
Oh my heart. I can't wait to see
what's inside.

208 HATTIE 208
I love tricks. But I could really
use some treats right now.

209 ALICE 209
(full of anticipation)
Here we go...!

Alice reaches out and opens the lid.

UP ANGLE: all eagerly peer in and... look confused.

210 ALICE (CONT'D) 210
A sour pickle sandwich?

DOWN ANGLE - a SMUSHED SOUR PICKLE SANDWICH a little bigger than the chest itself is wedged inside.

211 CHESHIRE CAT (O.S.) 211
Gracious me. You found it!

UP ANGLE - Cheshire's eyes and grin are on the ship's flag.

212 ALICE 212
Cheshire Cat!

Cheshire fades off the flag and fades in next to the kids. He shakes each of their hands like a receiving line.

213 CHESHIRE CAT 213
You made it! Good to see you. I knew you'd figure out my poem.

He picks up the chest and gives it a hug.

214 CHESHIRE CAT (CONT'D) 214
And find my long lost treasure chest. Just where I left it.

215 ALICE 215
It was like no Halloween we've ever had. Ever!

Rosa turns to Cheshire.

216 ROSA 216
But are you sure the chest isn't missing anything? We were a little confused when we opened it.

217 CHESHIRE CAT 217
Let's have a look-see. <HUMS>

Cheshire opens the lid and fades to just eyes.

218 CHESHIRE CAT (CONT'D) 218
Everything looks in order.

Cheshire fades back in and pulls out the pickle sandwich.

219 CHESHIRE CAT (CONT'D) 219
Especially the delicious treat I kept inside.

220 FERGIE 220
We miiiight have different definitions of delicious.

Cheshire takes a <bite> out of his sandwich.

221	CHESHIRE CAT	221
	<CHOMP> Yummers. Just as sour as the day I hid it.	

Alice turns to her friends - she's figuring something out.

222	ALICE	222
	It's been a night of fun. A Halloween adventure! And all because we were together. That was the most important part.	

223	HATTIE	223
	You're right. It was like the recipe for a perfect Halloween.	

224	ALICE	224
	Thanks, Cheshire.	

225	CHESHIRE CAT	225
	Whatever for?	

226	ALICE	226
	It may not have been a Halloween full of trick-or-treating. But we had so much fun looking for your treasure.	

227	ROSA	227
	Yeah! You gave us a Halloween we'll never forget.	

228	FERGIE	228
	Friendship really was the treasure all along, huh?	

Cheshire waves his sandwich at Fergie then takes the final bite. As he licks his paws clean:

229	CHESHIRE CAT	229
	No, Fergie, it was the sour pickle sandwich. MM-mm!	

230	ALICE	230
	<GIGGLE> Or...It's just like your poem said: <i>"And soon the treasure is where you'll be."</i>	

231	HATTIE	231
	Bring it in, pals!	

The friends share a group hug.

Cheshire picks up the chest, spinning it on his tail.

232 CHESHIRE CAT 232
Here. Whatever else is in there is
all yours.

Cheshire casually tosses Alice the empty chest.

Alice peers in and sees...nothing. She turns it over and
gives it a shake-shake, but nothing comes out.

233 ALICE 233
I don't see anything.

Then, with one final "why-not-try-it" shake...

234 ALICE (CONT'D) 234
Cheshire are you sure -- whoa!

A SEEMINGLY ENDLESS SPIGOT OF HALLOWEEN TREATS (including
stuff specific to our characters, like carrots, hotdogs, and
rose mints, as well as healthy snacks like granola, trail
mix, and popcorn balls all in festive Halloween colors and
shapes) *begins to flow from the chest!*

235 ALICE/ROSA/HATTIE/FERGIE/DINAH 235
Whoa.../What is all that?/Now
that's a treasure!/Are those.../<In-
awe MEOW...>

It rapidly overtakes the entire ship, <RATTLING> the walls of
the cave.

236 FERGIE 236
We're gonna fall again, aren't we?

<WHOOSH!> It forms into the shape of a cinnamon SWIRL that
overtakes the entire scene, which Alice, Hattie, Fergie,
Rosa, and Dinah ride down like a slide --

237 ALICE/ROSA/HATTIE/FERGIE/DINAH 237
Whoaaooaaa!/<MEOW!>

INT. WONDERLAND BAKERY - MAIN ROOM - MOMENTS LATER (NIGHT)

The spigot of Halloween treats pours into the bakery. A beat,
then the friends pop up out of it.

238 ROSA/HATTIE/FERGIE 238
We did it!/Hip-hat-hooray!/Look at
all these carrots!

The treasure chest itself is the final piece to fall, and
Alice catches it seamlessly and peeks inside.

239 ALICE 239
I think that's the last of it.

Dinah hops out of the chest.

240 DINAH 240
<Hello meow!>

241 ALICE 241
Almost the last of it.

Alice hugs Dinah. Alice points out the window.

242 ALICE (CONT'D) 242
The Wonderstorm - it's over!

QUICK I/C EXT. BAKERY - NIGHT - Moonlight shines in the
cloudless sky, the Wonderstorm over.

BACK INSIDE - The lights are back on. Oven <TOOTS>. ON THE
PILE - Hattie backstrokes through the treats past Alice.

243 HATTIE 243
And we have the most epic Halloween
haul of all time!

DIFFERENT PART OF THE PILE - Cookie pops out of it.

244 COOKIE 244
Something tells me you found
Cheshire Cat's treasure.

Fergie, Hattie and Rosa toss snacks in the air, truly letting
loose, unable to believe their luck.

245 FERGIE/HATTIE/ROSA 245
I want that one!/Wanna trade?/Let's
share!

Alice surveys the smiles on her friends' faces.

246 ALICE 246
(to Cookie)
And had a Halloween like Wonderland
has never seen before!

POP-POP-POP! One by one, Cheshire, the Queen, Jabbie, March Hare, Kiki and Doorknob pop out of the pile of treats, too.

247 CHESHIRE CAT 247
Ah! I knew there was another snack
or two in my treasure chest.

248 QUEEN OF HEARTS/JABBIE 248
Surprise! [The Witches of Mushroom](#) *
[Grove](#) are back!/<YIPS> *

249 MARCH HARE 249
Whatta ride. Let's do it again!

Kiki leaps in the air and dives back under the pile.

250 KIKI 250
I wonder how far down it goes!

Doorknob wobbles back and forth, looking around.

251 DOORKNOB 251
I think I may have landed in some
butterscotch.

ANGLE ON Alice and Cheshire.

252 CHESHIRE CAT 252
Looks like we maaay have enough
treats for some indoor trick or
treating. Shall we?

253 ALICE 253
I'm always up for another adventure
with you, Cheshire! Happy
Halloween!

And as all the friends fan out, dig through the treats, we...

FADE TO BLACK.
